Development Department.

SIR,

Subject —

Adverting to Preliminary notification No. L.909/ Ml.38-34-5 71 2 dated 4-8-34 calling for objections if any against the aquisition of a portion of Khaneshumari No.71 of Magadi Town for widening the road, I have the honour to state that the notification was duly published in the localities concerned. Subbiah of Magadi Town presented a petition to the Sub division Officer, Clospet on 8-11-34 requesting for the acquisition of the entire house standing on the above-said Survey Number and for the payment of compensation of Rs. 800 or Rs.500 with the materials in the alternative. The Municipal Council which was consulted in the matter have resolved that the entire house might be acquired and a compensation of Rs.163 may be paid to the party. As there is a great difference between the value demanded by the party and that proposed to be given by the Municipal Council, the exact amount of compensation to be given in this case, will be determined by the Land Acquisition Officer at the time of passing the award.

It is proposed to acquire a larger extent of land than was notified originally in the Preliminary Notification and it is reported that there are two claimants for this land. Hence these alterations have been shown in the draft final notifications herein enclosed. These may kindly be caused to be published in the

P.T.O.

the Gazette and the sanction of Government may kindly be obtained to the acquisition of the property, the Sub Division Officer, ~~XXXX~~ Closepet being appointed to perform the functions of a Deputy Commissioner and to take order for acquisition in this case under the Land Acquisition Regulation.

The connected vernacular records are herewith enclosed for reference.

I have the honour to be,
Sir,
Your most obedient Servant.
